

Information on attending a performance

Symptoms of illness

If you have had contact with someone infected with COVID-19 in the past 14 days or if you have an upper respiratory infection yourself, you are not allowed to attend the performance. Tickets that have already been purchased can be converted into a voucher equal to the entry price. Please contact us at 030 4234314 or ticket@schaubude.berlin

Mouth and nose covering

It is mandatory to wear a mouth and nose covering in the entire theatre. No entry is allowed without a mask. The mask can be removed once you have reached your seat. Children up to the age of six are exempt from this obligation.

We would like to point out that people with chronic respiratory diseases who are unable to wear a mouth and nose cover have an increased risk of infection for themselves and others in general. We recommend that such people not attend performances.

Tickets

Tickets are currently only available for online sales on our website. It is not possible to buy tickets on site. School classes and day care groups can reserve their tickets at 030 4234314 or by email to ticket@schaubude.berlin

Admission

Admission begins 30 minutes before the performance begins. Seats are numbered. It is currently not possible to stay in the foyer. Our bar is open, you can take drinks with you into the theatre.

Attendance documentation

When entering the theatre, in accordance with the SARS-CoV-2 Infection Protection Measures Ordinance (SARS-CoV-2-Infektionsschutzverordnung), we must ask you to provide the following personal data: first and last name, address or email address, telephone number. We gather this information in accordance with Art. 5 GDPR. Your personal data will be deleted four weeks after the event. If you do not agree to providing this data, we cannot grant you access to the event.

Keeping a distance

Please keep a distance of at least 1.50 meters from other people. This does not apply to people who live in the same household, or to families and couples.

General hygiene rules

Please adhere to the known hygiene rules, remember the proper etiquette for coughing and sneezing, and wash your hands thoroughly on a regular basis. You can find disinfectant dispensers in the sanitary facilities. Please pay attention to signs, distance markings, and directional guidance.

Cleaning & disinfection

We have adjusted the cleaning cycles and regularly disinfect all contact surfaces.

Ventilation

We have adjusted the ventilation cycles in the theatre. We ask for your understanding, as this may lead to ventilation breaks or opening of external doors before and during the performances. Blankets are available.
