4. Participant (optional)

Name

Area(s) of focus

Website

The team has been newly come together for the research residency.

The participants are already working together artistically. If yes, please state the name of the theatre/company/collective:

Website:

2. Research Proposal and Motivation

Please describe the research project and present the research questions and focal points in terms of content and aesthetics as well as the artistic and methodical implementation. In addition, please describe your motivation for your research project, the significance of the project for your own artistic work, and the context in which the research takes place.

The information on the research project and on motivation/artistic development can be submitted in different formats:

- a) Text: a total of max. 5,000 characters incl. spaces. Please use the fields below.
- b) Video or sound file: max. 10 minutes in total. Please note retrieval links and any passwords in the fields below. Material must be available online by end of April 2021.
- c) Graphic formats (photo series, drawings, combinations of images and text): max. 10 pages. Please note retrieval links and any passwords in the fields below. Material must be available online by end of April 2021.

Combinations are of course also possible.

2. Participant

3. Participant (optional)

4. Participant (optional)

Accessibility expenses

Please note below any accessibility expenses you would incur in connection with the residence.

Are there any requirements or needs in the project team that the residence should be aware of?

Links to Documentation Material (recordings, photo documentations, texts etc.) of Own Work

By submitting this document, I certify that the information I have provided is complete and true. I have read and accepted the expectations of the residency group on the part of Schaubude Berlin in the announcement. I am aware that there is no entitlement to a residency place. I have taken note of the information for contractors, suppliers, and other business partners according to Art. 13 GDPR of Kulturprojekte Berlin GmbH (available at: https://schaubude.berlin/fileadmin/DSE_Geschäftspartnerinnen_EN.PDF) and I agree that the data provided in the form will be stored and processed by Schaubude Berlin for the research residency 2022.
